INDUSTRY PROSPECTUS

Dear Industry Partners,

At the International Cartilage Regeneration & Joint Preservation Society (ICRS), we are committed to advancing the science and education of cartilage disease prevention and treatment on a global scale. Collaboration between clinicians, scientists and industry is integral to achieving this shared objective.

As a key industry stakeholder, we invite you to consider partnering with us at our upcoming **18th ICRS World Congress** in Boston, USA.

Who is attending: Up to 1000 delegates from all over the world from the clinics, academia and industry.

What's on the menu: The ICRS World Congress 2025 pushes the boundaries of medical knowledge and practice by providing an innovative, comprehensive format covering both basic and cutting-edge topics and approaches, as well as scientific and surgical breakthroughs in the field of cartilage regeneration & joint preservation. Program highlights include:

- A new, immersive session format that puts you in the middle of the action.
- Personalized medicine takes center stage, targeted to local practices and regulatory environments.
- Crosstalk between people and across specialties, stakeholders and sociodemographic strata.
- Live surgery with product demonstration opportunities.
- Focus on pearls and principles of joint preservation across the spectrum of resource availability in different countries, from established techniques to emerging technologies, including rehabilitation.
- Novel tools including AI solutions.

Why Partner with Us?

- **Brand Visibility:** Gain exposure to a diverse and expert audience of up to 1000 clinicians, sports medicine experts, basic and translational scientists, physiotherapists, industry representatives and others.
- **Networking Opportunities:** Connect with KOLs, professionals & decision-makers in the cartilage regeneration & joint preservation sector.
- **Positive Public Relations:** Enhance your corporate image by associating with a reputable and impactful nonprofit organisation and meet your and CSR / ESG targets.
- **Customised Recognition:** Benefit from tailored sponsorship packages designed to meet your specific marketing goals.

The following pages showcase a range of attractive and affordable sponsorship opportunities tailored to various interests and contribution levels.

We anticipate a rewarding, mutually beneficial collaboration and look forward to connecting with you at our 18th ICRS World Congress in Boston, USA.
