Outbound Bills of Lading are available at the Capital Exhibitor Service Desk. Outbound Bills of Lading will be checked at the time of actual pickup of freight from the booth. Piece counts will be adjusted and corrections will be made to the Bill of Lading where discrepancies may occur.
- 4. Capital and its subcontractors will not be responsible for ordinary wear and tear in handling of equipment. Neither will they be responsible for loss, damage or delay of shipments due to fire, theft, water, vandalism, acts of God, strikes, lockouts, work stoppages of any kind or any other circumstances beyond their control.
- 5. Capital and its subcontractors' liability shall be limited to physical loss or damage to the specific article which is lost or damaged, and in any event Capital's maximum liability shall be limited to \$.30 per pound per article with a maximum liability of \$50.00 per item or \$1,000.00 per shipment, whichever is less.
- 6. If Capital is found negligent for the damage of materials, the exhibitor's sole remedy will be to have Capital repair or replace the defective materials with that of like kind and quality. In no event shall Capital be liable for incidental or consequential damages, which may result or arise out of the damaged materials. This shall include those losses or damages, which may arise out of the inability of an exhibitor to show their product.
- 7. The consignment for delivery of a shipment to Capital by an exhibitor, or by any shipper on behalf of the exhibitor, shall be construed as an acceptance by such exhibitor (and/or other shipper) of the terms and conditions set forth in this notice. It is understood that Capital and its subcontractors are not insurers. Insurance, if any, shall be based on the value of the material handling services and the scope of liability is unrelated to the value of the exhibitor's property being handled. It is suggested that exhibitors insure all shipments from the time they leave your company until they are returned from the show. If a shipment must be re-routed due to incorrect or unclear shipping instructions on the Outbound Bill of Lading, Capital assumes no liability as a result of such rerouting or handling.
- 8. Capital and its subcontractors shall not be liable to any extent whatsoever for any actual, potential or assumed loss of profits or revenues or for any collateral costs, which may result from any loss or damage to an exhibitor's materials, which may make it impossible or impractical to, exhibit same.

- 10. Shipment received without receipts, freight bills or specified unit counts on receipts or freight bills such as UPS or van lines will be delivered to the exhibitor's booth without guarantee of piece count or condition. No liability will be assumed by Capital for such shipments.
- 11. Empty container labels are available at the service desk. Affixing the labels is the sole responsibility of the exhibitor or his/her representative. All previous labels should be removed or completely covered. Capital assumes no responsibility for errors to the aforementioned procedure, removal of containers with old empty labels and without Capital's labels, improper information on empty labels, or valuables stored in containers with empty labels.
- 12. Freight handling charges are the responsibility of the exhibitor to whom the shipments have been consigned. Also, charges for loading out freight shipments are the responsibility of the exhibitor from whose shipments are made. Exhibitors may not assign this responsibility to suppliers or customers.
 - The exhibitor agrees, in the event of a dispute with Capital relative to any loss or damage to any of their materials or equipment that they will not withhold payment of any amount due to Capital for drayage or any other service provided by Capital as an offset against the amount of the alleged loss or damage. Instead, they shall agree to pay Capital at the close of the show for all such charges, and they further agree that any claim they may have against Capital shall be pursued independently by them as a completely separate transaction to be resolved on its own merits.
- 13. Where an exhibitor indicates choice of carrier for pickup, it is the exhibitor's responsibility to arrange with such carrier for said pickup service. If the carrier does not pick up within the time limited for the removal of exhibitor's materials at the Exhibit Hall, we reserve the right to forward such materials by the shipping method of our choice or to remove said materials to our warehouse for disposition, at an additional charge to the exhibitor in accordance with prevailing rates for the service performed.
- 14. Materials left behind without orders placed at the Service Desk may be classified as abandoned. The Service Contractor shall not be responsible for same. We are not responsible for any delay of rush shipments. We will expedite such rush shipments to the best of our ability, but will not assume any financial responsibility for shipments, which do not arrive at their destination at a dated time.

LABOR GUIDELINES & NON-OFFICIAL CONTRACTOR RULES FOR EXHIBITOR PARTICIPATION

To assist you in planning for your participation in this upcoming exposition, we are certain you will appreciate knowing in advance that Capital labor is required for certain aspects of your exhibit handling. To help you understand, we ask that you read the following:

MATERIAL HANDLING

The facility requires that the official material handling contractor, Capital, off-load all equipment and display materials for **ALL** common carrier and van line trucks. **The use of fork trucks, pallet jacks and lift gates are only permitted by personnel of Capital Convention Contractors.**

Exhibitors are allowed to perform their own material handling, provided they meet all of the following criteria:

- Personnel performing the work must be bonafide, full-time employees of the exhibiting company.
- Exhibitors may load/unload uncrated materials from a mini-van, car, station wagon, pick-up truck or box truck owned by the exhibiting company.
- Exhibitors may use only hand-operated equipment, which they have provided; two-wheeled hand trucks and four-wheeled flat carts are permitted.
- Exhibitors choosing to handle their own materials are responsible for their own storage during the show.

EXHIBIT INSTALLATION AND DISMANTLING

Full time employees of the exhibiting companies may set their own exhibits without assistance from Capital. Any labor services that may be required beyond what your regular full time employees can provide must be rendered by Capital. Labor can be ordered in advance by returning the Labor Order Form, or at show site, at the service desk. Proof of full time employment status may be requested by Capital.

NON-OFFICIAL CONTRACTOR RULES

Non-Official Installation and Dismantling Contractors may choose to use Capital Convention Contractors for labor and/or supervision or provide their own.

The following is required should they provide their own:

- Non-Officials must furnish Show Management the names and addresses and telephone numbers of key executives for emergency contact.
- All personnel must be properly identified with a badge at show site.

This statement and insurance rider **is not** required by the exhibitors who plan to set-up and dismantle their own booths or equipment with their own employees.

All Non-Officials Installation and Dismantle Contractor (supervisors) will be allowed on the exhibit floor **only** during official installation and dismantle hours, and must be identified with a temporary work pass, either supplied by Show Management or the Official Service Contractor.

TIPPING

CAPITAL CONVENTION CONTRACTORS requests that exhibitors do not tip our employees. They are paid at an excellent wage scale denoting a professional status, and we feel that tipping is not necessary. This applies to all employees. Any request for such should be brought to the attention of a Capital representative at the service desk or correspondence may be directed to the attention of the General Manager at the Capital office.

SAFETY

Standing on chairs, tables, or other rental furniture is prohibited. This furniture is not engineered to support standing weight. CAPITAL CONVENTION CONTRACTORS cannot be responsible for injuries or falls caused by the improper use of this furniture. If assistance is required in assembling your booth, please order labor on the Labor Order Form and the necessary ladders and tools will be provided.

EXHIBITOR-APPOINTED NON-OFFICIAL CONTRACTOR AUTHORIZATION

If your company plans to use a Contractor other than Capital, please read, complete and submit this form to Capital Convention Contractors.

Official Service Contractors are appointed to perform and provide necessary services and equipment.

The Official Service Contractor will provide all usual trade show services, including labor. Exceptions are:

- Supervision may be provided by the exhibitor.
- The exhibitor may appoint the official contractor for supervision.
- The exhibitor may appoint a qualified non-official contractor.

Official Service Contractors are appointed to:

- Ensure the orderly and efficient installation and removal of exhibits.
- Assure the distribution of labor to all exhibitors according to need.
- Provide sufficient labor to satisfy the requirements of exhibitors and for the show itself.
- See that the proper type and limits of insurance are in force.
- Avoid any conflicts with local union regulations and requirements.

SHOULD THE EXHIBITOR WISH TO EMPLOY THE SERVICES OF A CONTRACTOR OTHER THAN THE OFFICIAL CONTRACTOR, THE FOLLOWING CONDITIONS MUST BE MET:

- 1. The exhibitor must inform Capital Convention Contractors of the name and address of the contractor and the work performed. This information must be received in writing no later than 30 days prior to the show in Capital's office. If this information is **not** received 30 days prior to the show, Capital labor must be used for all work. The non-official contractor will be permitted to supervise only.
- 2. The non-official contractor to be used by the exhibitor must do the following:
 - a. Provide a certificate of insurance with at least the following limits: Comprehensive General Liability not less than \$1,000,000 with respect to injuries to any one person in any occurrence; and \$500,000 with respect to damage of property; Workers' Compensation Insurance, including employee liability coverage, in a minimum amount of not less than \$1,000,000 of individual and/or aggregate coverage, and naming Capital Convention Contractors as additional insured.
 - b. Agree to abide by all the rules and regulations of the show.
 - c. Agree to abide by all union rules and regulations.
 - d. Information must be received in the Capital office no later than 30 days prior to the show.
 - e. Identification badges must be worn at all times. Temporary labor badges will be provided. Badges will be issued only to persons actually used to supervise, install, dismantle and maintain exhibit-related equipment.

For services such as electrical, plumbing, telephone, cleaning and drayage, no other contractor other than the official contractor will be approved. This regulation is made necessary because work is done on equipment and facilities owned by parties other than the exhibitor. The exhibitor shall provide only the material and equipment that he owns and that is to be used in his exhibit space.

INCOMPLETE OR UNSIGNED FORMS WILL NOT BE ACCEPTED.

Return this form, along with Certificate of Insurance and name and addresses of employees who are working in your booth by September 11, 2025 to Capital.
