We are a Research Center:	✗
We are both:	✗
In University Programme:	✗
Private Practice Programme:	✓
Primary Language:	English
Secondary Language:	Hindi

Please provide a general description of your program:

We offer three months of short fellowship program to prospective cartilage surgeons interested in joint preservation and cartilage repair surgeries. Fellow can expect to attend and interact with patients in OPD and rehab rehab unit. He is also allowed inside operating rooms as observer if he doesn't have Medical Council of India (MCI) license. If he is having MCI license then he is allowed to scrub and get involved in surgical procedure depending on his knowledge and competence. Fellow must finish and submit at least one research paper before completion of the fellowship program. We are unable to provide any remuneration/ stipend/ boarding & lodging facility at present. However, he is welcome to take advantage of any concomitant fellowship support while visiting us.
